LOT 21 - The Bil-Jax 3632T Man Lift

Description

Bil-Jax 3632T Man Lift is a boom lift with a working height of 43 feet 6 inches and a lift capacity of 500 lbs. It features a horizontal outreach of 32 feet from the center. The lift has a stowed length of 22 feet 8 inches and a stowed width of 5 feet 6 inches. This lift was in operation with a rental company. Appears to be in working order. Was told this lift was recently serviced (We do not have any service paperwork to go along with this item). This lift can be towed with a 2" ball. Tires look to be in decent shape (Hold and maintain proper air pressure). Battery powered.

The Bil-Jax 3632T man lift can be considered a good value, especially when considering its features and capabilities. It's a towable boom lift with a 36-foot platform height, 42-foot work height, and 32-foot horizontal reach. It's priced competitively, often found in the range of **\$15,750 to \$18,950**, [according to LiftsToday.com](https://www.liftstoday.com).
